

## A muggy day for a run

The field of runners and walkers took off at the start of the Fort Worth Runners Club 3 Amigos 4-Mile run on a warm, humid Saturday (June 26) morning at Trinity Park. Alex Johnson, a former Burleson resident now living in Silverthorne, Colo., won the men's division in 24:07.7 and Egle Uljas, a student at Baylor, won the women's division in 26:26.9. She is from Estonia, making her the first foreign female winner of the event since Fiona Green won in 2007. Fiona, a Keller resident, is from Scotland. Alex got a scare when his father, Rick, collapsed about a quarter of a mile from the finish. After being attended by medical personnel, he was up and walking and left with Alex.
