

## **Fun times in Japan**

Mark Olateju of Garland and Wendy Ragle of Fort Worth returned recently from the Sendai International Half Marathon in Japan, conducted May 9, and Mark said the experience was "priceless." Mark, a masters runner and weekend warrior, chronicled his experiences on Facebook. Wendy, who won the RRCA State Championship 15K last year, ran a 1:26:43 to place 43rd of the 233 women. Mark finished in 1:32:41, which was good for 509th place among the 897 male finishers.
