

## First-time winners at Trophy Club

Andrew Hemmelgarn, 17, a cross country runner at Justin Northwest, and Jessica Smith, 33, of Trophy Club won their first\* overall titles in D-FW area races this year by winning their respective male and female divisions at the Trophy Club Steeple Run 5K on a cool Saturday morning (Sept. 4).

Hemmelgarn ran an 18:58.6 and Smith a 21:43.1 to take top honors at the event that also was part of the Labor Day Extravaganza. Part of the bonus for the participants was a pancake breakfast. With temperatures dipping below 70 overnight, participants also enjoyed a near perfect morning for going the 3.1-mile distance. See results.
