

Fast times at Uptown

Though the paces didn't quite match those at the Komen Dallas Race For The Cure the week before, the Borden Uptown 5-Mile on Saturday (Oct. 24) did produce some speedy times. And besides, it was two miles longer than the Race For The Cure 5K. Craig Lutz, outstanding runner from Flower Mound Marcus, ran a 25:24.20 to take the male overall title. Ashley Johnson ran a 29:53.40 to win the women's title. In D-FW area 5Ks over the Oct. 22-25 span (the Friends of the River was on a Thursday evening), the fastest were:
Male Overall: Jody Broccoli, Arlington, 15:58; Friends of the River.
Male Masters: Ken Hall, Colleyville, 17:03; Friends of the River.
Female Overall: Eva Contreras, Fort Worth, 20:07; Friends of the River.
Female Masters: Fiona Green, Keller, 21:06; Friends of the River.
