

**Jose Lopez doubled his fun
and won two state titles**

Jose Lopez, in the blue singlet (bib no. 190), is among the leaders at the start of the Decade Double Trouble 5K on Saturday morning (Oct. 10) in Grapevine. Lopez, who suffered from dehydration after winning the DRC The Loop 15K last week, won the race, then minutes later ran the 10K and won again. Both races also were designated as the RRCA State Championships. Molly Tucker, left, won the women's overall in the 5K. She competed for the first time since a bout with Swine Flu three weeks ago. Britt Darwin-Looney won the women's 10K title.
