

DRC Flapjack Best of Times 5-Mile

April 5th, 2008 - Winfrey Point, Dallas

This was a bracket race where start times were staggered to handicap the faster (for the most part, younger) ages. Therefore the results are only overall with no gender or age groups. Groups, beginning with 0, were started every minute and the clock started with the last group (#30).

Awards were given to the first 85 finishers.
