

## Early registration for The Half

The Half in Dallas already has opened its registration, no doubt one of the earliest early registration dates anywhere. Some of the low bib numbers already are gone, but there are plenty remaining, according to Dallas Running Club's president Libby Jones.

She said DRC members will get a discount on the 5K, and that a DART light rail ticket will be included in all packets. Hopefully, more runners will use DART to help alleviate the difficult parking situation for the popular event, she said. Parking already is critical and if the event continues to grow, she said there won't be room for all of them.

Information about The Half and registration is at [www.drchalf.com](http://www.drchalf.com).
